WOMEN OF WORTH MINISTRIES

WOMEN OF WORTH MINISTRIES was founded January of 1995 in Brampton, Ontario, Canada by Pastor Susan Kiteley. Tired of the mundane, she sensed that God desired to refresh women in a way that would mobilize them for action in these last days of great harvest and supernatural outpouring. Pastor Sue, along with a group of dedicated women, stepped into God's vision to see women established in Christ. Now we watch in amazement and awe as women rise up in purpose and destiny and come alive to the plan of God for their life and ministry. If you are tired of the ordinary or what's been, then you are ready for WOM.
